SOLID HARDWOOD TIMBER FLOORING

BY HURFORDS

Brought together to share the diversity of Australian hardwood species, in one of Hurfords most loved flooring collections.

A Solid Hardwood Floor is an investment for a lifetime. It not only adds value to your home but makes a high-end style statement all on its own.

Your Forever Floor

A forest that will be around for generations to come.

One of the simplest ways you can help protect our forests is to look for the PEFC label on products. When you see the PEFC label, it means that the forest-based material product comes from a PEFC-certified forest. This is a forest that is managed in line with the strictest environmental, social and economic requirements.

SYDNEY BLUE GUM

Eucalyptus saligna

A popular species for its beautiful colour, straight grains, strong and hard natural attributes. Making it sought after for both domestic and commercial flooring projects.

**THERMALLY ENHANCED
SYDNEY BLUE GUM**

Eucalyptus saligna

Process using a unique temperature schedule through the drying process to create a colour palette that reflects a more scarlet intensity.

BRUSHBOX

Lophostemon confertus

Brings warmth, displays appealing features and matches well with modern elegant spaces. Brush Box has an even texture with very tight interlocking grain.

TURPENTINE

Syncarpia glomulifera

With beautiful deep chocolate reddish brown colouring, Turpentine is a floor that matches well with contemporary interior styling.

GREY IRONBARK

Eucalyptus paniculata

Offering a large variety of colour from dark chocolate to nutty honey with some dark reddish brown. Recognised as an extremely hardwearing timber, perfect for high traffic areas.

**NEW ENGLAND
BLACKBUTT**

Eucalyptus andrewsii

Straight grained timber with a warm nutty hue which will compliment a range of interior designs where a lighter neutral palette is required.

SILVERTOP

Eucalyptus laevopinea

Being a contemporary neutral colour, Silvertop compliments well with a large variety of modern interior decors.
